merion senior high school, ardmore, pa.

FOREWORD

On the Lower Merion seal, *CORPORI*, for the body, *MENTI*, for the mind, and *MORIBUS*, for the character, symbolize individually one aim of the school in its training of students to love and to strive for *VERITAS*, the truth, the fourth word on the seal.

CORPORI symbolizes athletics, both intramural and interscholastic, which aid in the development of the body. *MENTI* symbolizes the faculty and its efforts to train students' minds. *MORIBUS* symbolizes activities, whose wide scope helps to mold students into young men and women of strong character. Each of these sections of the school is an integral part of the students' search for the truth.

Throughout the underclass years these divisions of the school gradually develop the students until finally, at the end of their senior year, their growth under Lower Merion's tutelage has been completed.

The 1956 Enchiridion thus depicts, through word and picture, the parts of the Lower Merion seal, *CORPORI*, *MENTI*, *MORIBUS*, and illustrates how the divisions of the school thus symbolized aid in the students' endless pursuit of *VERITAS*.

DEDICATION

ABRAM S. BENNER

During his twenty-five years of teaching at Lower Merion, Mr. Benner, recently retired head of the Commercial Department, has striven to fulfill the school motto — *Corpori, Menti, Moribus*. As treasurer of the Athletic Association, for example, he has managed the funds that have created our excellent sports program — from good sports come good bodies. By his teachings he has increased the knowledge of his pupils, many of whom he then dispatched through his employment office to rapidly advancing jobs. Similarly, he has often caused our spirits to soar when his jokes and adages brightened many an otherwise dull day.

Since he always very willingly executed the pleasant as well as the unglamorous jobs that come with every man's work, we dedicate the 1956 *Enchiridion* to Abram S. Benner.

Alma Mater

*All hail to thee, our Alma Mater,
Noble, fair and strong.*

*Let every loyal son now praise thee,
Lower Merion;*

*Pray give us courage to push onward
To attain the goal,*

*And may good fortune smile upon thee,
Lower Merion.*

LANGUAGE DEPARTMENT

This year seven hundred and fifty eight students are taking courses in French, German, Latin, and Spanish. Whether they are mastering the basic fundamentals of the grammar, learning to speak in a foreign tongue, reading the classics in the original, or struggling with the ablative absolute, they are developing an appreciation for the culture and mores of a country not their own — so vital and necessary for international understanding in this present day of one world.

HISTORY DEPARTMENT

Following the Lower Merion tradition of having a variety of courses, the social studies department offers four different courses. Ancient history, modern history, and social problems are elective courses, while United States history is required of every student by state law. Approximately two-thirds of the student body are studying one or more of these courses.

COMMERCIAL DEPARTMENT

The primary aim of the Lower Merion Business Department, including secretarial, general clerical, and distributive education majors, is to train young people for positions in offices and retail stores. Varied courses offer information and skills of great value to all students who take advantage of excellent equipment and competent, experienced faculty. Graduates are always in demand for positions on the Main Line and in Philadelphia. The employment office is available for both employers and graduates.

MATHEMATICS AND SCIENCE DEPARTMENTS

In high school more than half of Lower Merion Senior High School's students will study Mathematics. Algebra I, plane geometry, Algebra II, solid geometry, and trigonometry are the courses offered. Lower Merion offers courses in biology, chemistry, physics, and general science and provides every opportunity for a student to prepare himself so that he may help meet the present-day increasing demand for scientists in all fields.

TECHNICAL DEPARTMENT

Technical students were interested in the industrial arts contests sponsored by the Ford Motor Company. Eight of the projects that withstood the rigors of the Philadelphia show won gold medals for fine craftsmanship and excellent design at the national exhibition in Dearborn, Michigan.

Field trips to Westinghouse, General Electric, Baldwin, Budd Manufacturing, and the Ford assembly plants revealed to the juniors and seniors the importance of Delaware Valley manufacturing to our national economy.

ENCHIRIDION

With high aspirations the yearbook staff last spring plunged into the maze of work necessary to produce a record of an eventful school year, and by steady endeavor evolved the 1956 ENCHIRIDION. From meetings throughout the summer emerged the theme for the book, the school seal and its relationship to the development of the student. After much discussion a successful scheme was derived for representing the seal in art and photography on two-page section dividers. Through the efforts of the business staff money was raised to produce a yearbook with features to interest everyone; namely, two pages of curriculum pictures, action pictures throughout the sports section, more pictures in the activities division, and two pages of pictures of outstanding seniors — all welcome additions.

Striving to maintain high journalistic standards and to increase reader interest the staff of the 1955-56 MERIONITE made several changes in the paper. The full page banner was retained in reduced form. Editorials and features were improved, and modern style page makeup was retained with headline variation on all pages. Action photos improved the sports and news pages, while cartoons did much to enliven the feature page. To stimulate interest, the staff inaugurated two columns, a critical review and the humorous "Offbeat," reinstated "Flashlight Caught," and featured interviews with local personalities. Up-to-the-minute coverage of school events completed the full pattern for a MERIONITE of which the school could be proud.

Joy at the annual Christ's Home party.

Carnival chairman Lees delivers report.

The STUDENT COUNCIL, Lower Merion's democratic student government, consists of representatives elected by their respective homerooms. Organization of special school activities—the Christ's Home party, dances, and the Spring Carnival—was an important function of the Council. The HONOR SOCIETY,

composed of outstanding students elected by their classmates and faculty, sold candy at basketball games, the proceeds going to charity and payment of expenses of the spring induction. The newly elected junior members ushered at baccalaureate and commencement.

In addition to the sponsorship of the Navaho Indian School, the FUTURE TEACHERS OF AMERICA members benefited from observing local elementary classes, thus learning more about the teaching profession. In keeping with its philosophy, the BOYS' HI-Y served the school and community by the raising of funds

for charity through the sale of book covers and the sale of soft drinks at basketball games. The principal project of the GIRLS' HI-Y this year was the sponsoring of a foreign exchange student. The members of the club also devoted their services to the information desk and to the candy store, both valuable services.

The three commercial clubs were active throughout the year. In the SENIOR COMMERCIAL CLUB, member committees organized and executed programs. Several field trips were taken to business establishments, and business was brought into the classroom through speakers and educational films. The JUNIOR COMMERCIAL CLUB, organized to impart to its members a better understanding of the business world,

took interesting excursions, heard speakers, and watched films. Enjoyable social events were also part of the program. The visual aid and demonstration techniques were used to advantage in the SOPHOMORE COMMERCIAL CLUB also, to familiarize the students with fundamentals of business, good grooming, and job opportunities of many sorts.

The center of attraction.

Sketch that crazy physique.

To capture quickly the mood and action of figures with a minimum of effort and economy of line was the primary aim of the members of the ART AND FIGURE SKETCH CLUB. Toward this end, members posed as models for the practice sketches. The techniques of the ancient sport of bow and arrow shooting were introduced to novice members of the ARCHERY CLUB in

the fall. Practice on the indoor range was then held during most club periods, with an occasional outdoor session in the spring. In this, the tenth anniversary year of the founding of the CREW CLUB, the 100 members gained knowledge of the sport through guest speakers and through rowing films. The boys also successfully sponsored the annual sale of Christmas candy.

In the KNITTING CLUB, the inveterate knitters found a little school time during which they added a few inches to their scarves, mittens, and argyles without fear of rebuke. The skillful card sharks of the GIN RUMMY CLUB spent most club periods perfecting their games in preparation for a year's-end tournament

to decide the club championship. The budding librarians who were members of the LIBRARY CLUB gained valuable experience by maintaining bulletin boards, which advertised library material, arranging books, and working at the checking desk to aid the librarian.

The BEGINNERS' RIDING CLUB stimulated an interest in the care and riding of horses and gave the members a fundamental knowledge and training in this great outdoor sport. For the experienced horsemen, the ADVANCED RIDING CLUB offered an opportunity to acquire superior skills and knowledge in the training

and showing of horses. One of the great charitable organizations of the school, the RED CROSS CLUB, provided recreation and special services for needy groups. The club visited its "adopted group," the children at the Home for Incurables, and gave them parties and entertainment on holidays.

The newly-formed PSYCHOLOGY CLUB heard lectures from the sponsor on problems involving personality, adjustment, and environment and read a psychology textbook to supplement class discussions. Club members also discussed plans with the sponsor concerning the curriculum for next year's initial psychology course. Promoting and popularizing square

dances was the aim of the SQUARE DANCE CLUB. Members are able to enjoy the recreation of hoedown dancing in L.M. in the winter and in New England in the summer. The RIFLE CLUB, by providing experience in shooting, introduced to each member the sport of riflery and the skills required for it.

"Science is fun" was the theme of the science clubs. The JUNIOR-SENIOR SCIENCE CLUB conducted experiments which have some aspect of humor; for example, boiling water by cooling it. Some demonstrations, like the running faucet which spouts water in mid-air, were merely tricks. The SOPHOMORE

SCIENCE CLUB studied different phases of science to aid in the development of each student's own interests. Club projects ranged from studies of microscopic life to experiments in chemistry. Through the medium of movies and slides the TRAVEL CLUB visited far-away exotic lands, but in reality members settled for the club's interesting annual trip to New York City.

The WRESTLING CLUB, active for three-quarters of the year, held discussions and watched movies about wrestling to create an interest in the sport. Meetings of Lower Merion's dramatic club, SHOWPEOPLE, usually consisted of a one-act play or of some other form of entertainment presented by club members.

Annually, the organization presents a fall production. This year the play was "Time Out for Ginger." The "honor society of dramatics," THESPIANS, inducts each year exceptionally active Showpeople members. Thespians planned programs and workshops and participated in all productions, both on the stage and behind the scenes, for a variety of dramatic experiences.

Girls who joined the SOPHOMORE GIRLS' SPORTS CLUB learned to officiate and referee different sports in their respective seasons. Captains of club teams replaced a president. The CHAMBER MUSIC CLUB, a selected string group, gave its annual concert. Members also learned to read and play better. Distribu-

tive Education students and local business people comprised the LOWER MERION BUSINESS SOCIETY, affiliated with state Distributive Education clubs. Members attended annual state meetings at Lancaster, visited industries, and gave luncheons for their employers under the Distributive Education program.

The BOYS' BOWLING CLUB was open to interested boys, regardless of their ability. Bowling instructions, emphasizing the fundamentals, were given every Wednesday to the members at the Ardmore Recreation Center, and after achieving a certain average, the bowler was eligible for membership on the bowling

team. SWING CLUB gave its members an opportunity to get together and play popular music for their own enjoyment. Formed this year for girls wishing to improve their dancing techniques, MODERN DANCE CLUB taught modern, ballet, and interpretive dancing.

Striving to master the fundamentals of bowling, the **GIRLS' BOWLING CLUB** bowled in the Ardmore Recreation Center. Neophyte bridge players in the **BEGINNERS' BRIDGE CLUB** learned the principles of bidding and the evaluation of hands, scoring values, and simple rules of play. They also conducted several

tournaments to bring out the value of competitive bidding and play. To become more familiar with Spanish customs, the **SPANISH CLUB** saw slides of Spain and Portugal, heard a panel of members and parents who have visited Mexico, held its annual Christmas celebration, and saw a program of Spanish dancers.

Having been chosen, the cheerleaders led the students in cheering at football games, pep rallies, and

basketball games. Determining which athletes should receive letters, buying jackets for undefeated and championship teams, and conducting letter-award assemblies was the function of the officers of the ATHLETIC ASSOCIATION, a body in which every student buying a sports ticket is a voting member.

Lower Merion's football team was unbeaten and untied for the second consecutive season and completed the 1955 campaign with a 23 game undefeated streak and a 20 game winning streak intact for the 1956 squad. In addition, the powerful Aces, coached by John "Fritz" Brennan, Glenn Etzweiler, and Joseph Quinn, broke the school record of 349 points established by the 1923 team in ten games with 351 points in nine contests.

The offensive unit was well balanced. A powerful, mercurial running attack was supplemented with the pin-point passing and fine quarterbacking of Jack Cummings as the squad rolled up 93 first downs with 2294 yards rushing and 873 yards passing for a total offense of 3167 yards. Rit Campbell led the ground

gainers with 519 yards, 7.6 per carry. Close behind were Ducky Jackson with 492 yards, an average of 12.9 per haul, Tom Royster with 468 yards and 9.7 per try and Leon Gibbs with 431 yards and 5.3 per carry.

Lower Merion had no equal in the area at running the T-formation attack. At Norristown in the third game of the season, Cummings faked a handoff to Jackson going into the line, flipped the ball to Campbell, who was well on his way for a touchdown when the referee blew the whistle, believing Jackson had the ball. In addition, Cummings attempted 66 passes, and connected with 40 for a total of 11 touchdowns and 711 yards.

Captain Bill McMillan, Maxwell Award winner, led the pass catchers with 13 receptions for 253 yards and four touchdowns. Every member of the team, 51 strong, was awarded his letter and a gold football.

SOCCER

Inability to score at the proper times and a spasmodic defense were two main causes of the failure of the 1955 soccer squad to retain the Suburban and District I championships. A 2-1 loss in the final league game with Upper Darby was the crushing blow. Although the boys were highly rated and played generally good ball, they lacked the scoring punch. Coaches Robert Hill and Theodore Copeland did a great deal of lineup switching but could not seem to come up with the right combination. The final record of 10-2-3, 4-1-3 in the league, was good; but the three ties, 0-0 at Abington, 2-2 with Haverford, and 1-1 at Upper Darby, hurt badly. Co-Captain Dave Buten and Bob Kessler were the standouts on the team, playing well at their halfback positions. Al Segal led the scoring with seven goals. Dave Van Dyke and Pete Wadsworth followed with five each, while Tom Whittingham had four. Kessler was named to the Philadelphia All-Scholastic team, and to the All-Suburban squad, along with his brother Dale, an aggressive halfback, and Van Dyke. Kenneth Link and Lew Gill will be 1956 co-captains.

HOCKEY

In an attempt to tie or beat the 1954 team's undefeated season, the girls' hockey team turned out a record not quite up to last year's, but, nevertheless, one showing a successful season. Coached by I. Lucille Hendricks and led by Captain Robin Lyons, the girls met their toughest opposition against Abington and Conestoga, the two teams they tied last year. They managed to hold Abington to a tie but were beaten by Conestoga, 1-0, thus breaking their undefeated streak. Outstanding playing was shown by Bobbie Godber, center forward and captain-elect for 1956, who scored sixteen out of the twenty-three goals and Bev Burke, goalie, who held the opponents' goals to seven. In the Springfield game, a rare penalty bully occurred, which Godber put in for the winning goal.

CROSS-COUNTRY

Looking forward to a dismal season with only one varsity letterman returning, cross-country Coach William Loeliger, in his first year as successor to retired mentor Albert Adam, was surprised as the L.M. harriers posted a 5-3 record for the 1955 season. Captain Nat Jones, the only veteran from the 1954 championship team, won six races during the season and was the only L.M. runner to finish first in a meet. Besides placing 16th in the Districts, Jones set a new course record of 13:55 at Conestoga, breaking the old mark by 17 seconds.

WRESTLING

Led by Co-captains Bruce Braun and Joey Lees and by junior Al Baffa, Lower Merion's varsity wrestling squad posted an 11-3-1 record for the 1956 season. Braun, a heavyweight, compiled the finest individual record, winning fourteen of fifteen bouts with ten pins to his credit. Baffa posted a similar record, with eight pins, while Lees finished with 11-3-1. Two of Coach Horner's grapplers won District Titles, Baffa in the 138 pound class, and Al Donzanti in the 154 pound division. A broken thumb kept Braun out of the district competition.

BASKETBALL

A good basketball record of 12-7 was overshadowed by a disappointing third place finish in the Suburban A League and a final game loss to Radnor. Losses to undefeated Chester, although Coach Bob Ruoff and the boys sincerely thought they could win, were generally expected, but two defeats by Upper Darby and one by Abington were ruinous. Inconsistency, excessive fouling, and a seeming lack of teamwork marred the season. Bob Campbell, leading scorer (274) and rebounder (255), looked good all year. Jack Cummings, second to Bob in both departments, and Dick Campbell were both valuable, while Bill McMillan and Ray Murphy usually complemented the starting five as backcourt playmakers during the 1955-56 season.

RIFLE

Although the rifle team's record (5-3-1) is not too impressive, the squad boasted, in the opinion of Coach Lyman Suloff, two of the best shots in L.M. history, Dick Garwood and Charlie Barb. Garwood, team captain, fired five perfect 100's as he scored in all nine matches, while Barb scored in eight of nine. Lois Lyster, who joined the squad late in the season, scored consistently in the final five meets. Twice during the year, the team shot 500's in practice, a feat never before accomplished at L.M. Five letterwinners will return next season.

BOWLING

Lower Merion's varsity bowling squad, coached by Anthony Della Rezza, earned a fourth place finish on the basis of a 19-17 record in the first half of the Philadelphia-Suburban Bowling League as Overbrook (29-7) took league honors. Ed Bender's 163 average was high enough to win the loop scoring title while Art Reber (149), Al Segal (146), Dick Jacoby (145), and Joe Sacchetti (140) manned other varsity positions. The junior varsity, paced by Captain Ed Shaffer, posted a 24-12 log to retain their J.V. League crown, Upper Darby second with 18-18.

As a result of working all season to regain the title of P.I.A.A. District I champs, Coach Harold Spealler and the girls' swimming team brought home the trophy for the seventh time, after losing it for the first time last year. The freestyle relay team, composed of Co-captains Dottie Schweinsberg and Joan Thomson, Barbara Lafferty, and Gail Frazer, turned in an excellent time of 54.9 in the Districts. Aside from the Districts, the team completed a very successful season, losing only to George School, Baldwin School, and Penn Hall.

GIRLS' BASKETBALL

The girls' basketball team, coached by Miss Ruth Stevenson, seemed to lack that extra punch needed to conquer keen opponents. This deficiency was the cause of three heartbreakers at Lansdowne, Abington, and Conestoga. The downfall in these games was the number of foul shots missed. Joy Becker, averaging 16 points per game, was high scorer for the season, while backing her up and displaying excellent ball-handling were Captain Sandy Bromer and Bev Burke. Outstanding guards were seniors Sarah Deitrick and Margaret Estes.

Lower Merion's crews had a fair season . . .

CREW

L.M. varsity heads for Schuylkill course.

Lower Merion's varsity crew season was far from impressive as powerhouse shells from St. Joseph's and Washington and Lee dominated the waterways. Coach Herb Horner manipulated his crews freely as the varsity eight won three of nine races while the varsity quartet finished first in two of seven. The jayvee eight which frequently rowed in the varsity slot was manned by Dave Kozart, Bob Banta, Charlie Barb, Frank Earl, Herb Harvis, Hank Jackson, Tom Schwalm, and Bob Dockety from stroke to bow and coxswain Gregg Thompson. Thus for the 1956 crew season, Coach Horner will have an experienced octet for varsity competition despite the loss of many outstanding rowers, including Captain Bill Pressler. A clean sweep of six races at Belleville High School highlighted an otherwise poor campaign. Fourteen lettermen will man their oars in 1956.

The 1955 team played surprisingly good ball and finished the season in a tie with Upper Darby for third place in the Suburban A league, only a game behind Chester and Cheltenham. The two losses to Cheltenham ruined the bid for first place. Home runs by Bill McMillan and Joe Kelly helped defeat Chester in the final game and create the deadlock. Coach H. Gendell Reeves felt as proud of this team as he has of any other he has coached. Although not much was expected from them, the boys combined ample talent with fine team spirit to record a very gratifying season. Both the hitting and pitching came through in fine style. Bob McAlaine (4-3) handled the brunt of the mound work, but Diddy Clark (5-2) and Don Dougald (3-1) were also effective. McMillan, out of many games because of a leg injury, led the team in hitting with a .448 batting average, including four home runs. Cosmo Romano drove in 18 runs, the team high, and hit .328. With eleven varsity men returning, including six starters, the prospects are bright for another fine season. Richard Campbell was elected captain for 1956.

BOYS' LACROSSE

The 1955 edition of the boys' lacrosse squad inaugurated the season by dropping a 6-2 decision to the Army Plebes, annually the toughest team on the schedule. Following this setback, Coach Henry Ford, chief exponent of lacrosse on the Main Line, drilled his team into a smooth-operating unit, which won 12 straight and concluded the season with a 12-1 log. That Ford is one of the most successful coaches at L.M. is attested by his record of 52 wins and 5 losses in the past six years. Captain Tom Godber played most consistently and spearheaded the offense with 22 goals and 21 assists, followed closely by Sherman Eger and Dave Van Dyke with 21 goals each. The total of 113 points scored is ample evidence of the squad's crushing offensive power, while a solid defense allowed only 40 points.

TRACK

Reynolds exhibits broad-jumping skill.

The 7-0 record (including a forfeit over Cheltenham) posted by the 1955 track team marked the second consecutive undefeated year for Coach John Marzucco's cindermen. In addition, the Aces took first place in the Suburban Meet with $62\frac{1}{2}$ points, the Districts with $46\frac{1}{2}$ points, Penn Relays, and L. M. relays (six firsts). Hardly a meet went by without a record's being broken. When a new mark was set, it was usually by co-captain Jack Van Dusen, who won the State 120 low hurdles title with a near record time of 14.9 and established a new L. M. and Suburban record with his 20.1 clocking in the District 180 high hurdles. Jim Williams, who placed fourth in the State 880 run, set a new L. M. record of 1:54.9 as did the mile relay team of Williams, Bob McNeil, Chick Edwards and co-captain William Smythe with its 3:27.5 Penn Relay clocking.

First Row: D. Jackson, J. Kirby, C. Edwards, B. Smythe, Mr. Drumm, Mr. Marzucco, J. Van Dusen, R. Reynolds, T. Anderson, J. Williams. *Second Row:* G. Hearn, E. Paul, L. Hogan, K. Hill, D. GOLF

The 8-5-2 record compiled by the 1955 golf team was the best since the 8-3 log of 1948. Coached by Jack Hinchey and Captained by Wendell Wolf, the squad opened the season by tying and beating West Catholic and whipping Berwyn twice. After losing to Episcopal in the fifth match, the golfers managed to keep the win column healthy, thanks to a three game victory string toward the end of the season. Jim Ettelson, Jim Kruggel, and Roger Martin competed in the District meet. Kruggel finished sixth with a score of 84-83-167 in the 36 hole match.

BOYS' TENNIS

For the first time in three years, the Lower Merion tennis squad, coached by Paul Harkins, failed to win the Suburban Championship. Captained by Jay Bainbridge and Carl Dietz, the team geared into top form with the first Upper Darby match and sailed along smoothly until held to a 3-3 deadlock by Valley Forge. With a record of 7-1-1, L.M. entered what proved to be the title match against Cheltenham. A defeat in the final set lost the crown. Identical 5-0 wins over Yeadon and Haverford brought the season to a successful close with a 9-2-1 record.

GIRLS' LACROSSE

Although the girls' lacrosse team scored more points than their opponents, their seasonal record turned out to be rather disappointing to Coach Ruth Stevenson and the girls. Captain Mary Ann Long, sparking the offensive line with a total of ten goals, was topped only by Alice Irwin, who threw in fourteen goals. Outstanding defensive work was shown by Joyce Williams, instrumental in much of the offensive action because of her long and accurate passes. The girls elected Judy Wigginton, an attack player, to head the 1956 team.

GIRLS' TENNIS

Contrasted with last year's record of five wins and four defeats, the 1955 girls' tennis team, led by Pat Hunter, turned out a clean slate by winning all of their nine matches. The first and second singles positions were held by sophomores Jane Feise and Janet Gurk, respectively, both of whom won eight out of nine matches. Although Coach I. Lucille Hendricks predicted that Cheltenham would give the girls the most trouble, Norristown proved to be the toughest match. Joy Becker and Sandy Bromer will be the 1956 co-captains.

ACKNOWLEDGMENTS

The staff of the 1956 Enchiridion wishes to express sincerest thanks to the faculty advisers, Mrs. Hay, Miss Raycroft, Mr. Keim, Mr. Bahmermann, and Mr. Whistler for devoting so much of their valuable time to help make this year's book a success. Without their aid its production would have been impossible. We also wish to thank Clark Printing House, E. Brunel Photographers, and Pontiac Engraving Company for assisting us beyond the letter of the contract in order that the 1956 Enchiridion be the finest ever.

Sincerely,

Michael J. Mazer..... *Editor-in-Chief*

BUSINESS *friends*

OF LOWER MERION TOWNSHIP, PHILADELPHIA
AND NEARBY TERRITORY

THE following leading business firms have helped make it financially possible to publish *The Enchiridion* 1956 of Lower Merion Senior High School and for their generous support the class of 1956 takes this opportunity to say THANK YOU.

The **BRYN MAWR TRUST** *Co.*

"The Main Line's Own Bank"

**Q. What does a man (or woman)
want from a bank?**

A. Service or help or BOTH!

And that's just what we're here for! EVERY banking facility is available at "The Main Line's Own Bank" — Checking accounts (regular and special), savings fund accounts, loans (FHA, mortgage), safe deposit boxes, estate management, travelers checks. These are the services ANY good bank offers. At Bryn Mawr Trust you get an added advantage; you deal with your neighbors, people you know.

And *that* makes the difference between cold business and warm, friendly interest. It's good business to do business . . .
